Data Transmission Notice

TRacer uses your device's IMEI as the identifier for our Trial feature as well as for uploading user data to our servers & your web panel account per your application settings. Based on your settings, the application will also report and store GPS, Location, Call Logs, Recorded Audio, SMS, Emails, Website URLs, Contacts and/or other data to the server, as well as use your Data Connection, Send & Receive SMS's and Make/Answer Calls. This information is not shared with anyone outside of Killer Mobile Software LLC, nor will it be accessed by anyone at Killer Mobile Software LLC. This data can be deleted by you from your web account at any time. No backup of this data is made by us if you choose to delete this data.

You also acknowledge that you are the owner of the device that the application is being installed on and that you accept sole responsibility for any legal actions, either criminal or civil that result from the use of this application.
